

Your neighbors are implementing a Cat Management Plan of TNR

- *Trap-cats are humanely trapped
- *Neuter-cats are taken to a veterinarian for sterilization
- *Return-cats are returned to their outdoor home in the community
- *Cats are monitored and managed

Why TNR?

EFFECTIVE LOW COST LONG TERM
LEGAL HUMANE

stabilizes the population no more kittens
population reduces due to natural attrition
eliminates mating behaviors of
yowling, fighting, marking, wandering
